)
DEBTOR.) **99-41958**

**GENERAL ORDER DIRECTING THE CLERK OF THE COURT TO
PUBLISH CERTAIN DOCUMENTS ON THE COURT'S WEBSITE**
<http://www.alnb.uscourts.gov>

Because of the creditors of this Debtor are located through the United States, thus generating national interest in the pending Chapter 7 case, the Court finds that it is in the best interest of the public, the Court, and the Clerk of the Court, that certain documents be made available through the Court's website located at <http://www.alnb.uscourts.gov>.

The Clerk is therefore directed to publish on the Court's website certain documents selected by the Court from the pending Chapter 7 case. The Court may direct that other documents be included in the future, but access to all documents not published shall be maintained as in the normal course.

Publication by the Clerk on the Court's website shall include the following notice:

"Because the creditors of this Debtor are located through the United States thus generating national interest in the pending Chapter 7 case, the Court finds that

it is in the best interest of the public, the Court, and the Clerk of the Court, that certain documents be made available through the Court's website. Those documents are listed below. Documents in this case that are not available through this website may be obtained from Trustee's counsel or from the Court through its regular process. Additional public information about this case, including docket entries and claims register, is available from PacerNet, a national electronic Federal Court case database. Information about PacerNet may be obtained from this website under the listing "Public Access".

DONE and ORDERED this the 22nd day of August, 2002.

James S. Sledge,
U. S. Bankruptcy Judge
